Competitors wishing to have photo coverage at this event should complete this form and turn it in along with payment **PRIOR TO THE SHOW**.

## **Details About Coverage**

Typically 25% of the competitors in an event are interested in professional stage photos. Orders are pre-pay, which enables the photographer to target the individuals who are interested in coverage and get a lot more photos of them. The photographer is a former competitor and is familiar with the timing of posing. He focuses on capturing competitors in the peak of their poses, when they're turned at the angle that shows them at their best, when they're exhaling and showing their abs at their clearest, etc.

**Coverage cost is \$80** and includes the entire event from start to finish – prejudging, finals, awards presentations, and overall comparisons. Images will be provided on CD within 10 days of the show. Approximately 50 or more images supplied.

Images from event will be online at: **photos.OCBproductions.com**. Purchases of prints and digital files can be made from the site after the event for those who don't preorder. Note a limited number of photos are usually captured of competitors who don't preorder.
